Fun, free, and engaging tech application: [www.makebeliefscomix.com](http://www.makebeliefscomix.com)

### **I. Thinking differently about the library....**

One focus is to help teachers do things differently (better) to effect student achievement.

Last month: Technology Integration

This month: Trends in education....

- Project-Based or Inquiry-Based Learning.  
Video from Common Craft is very nicely done - explains why we need more project-based learning in schools.

- The Flipped Classroom approach.

Watch this video from a high school principal whose school flipped their classrooms.

### **2. Using the Resources to create K-12 Skills Continuum.**

Some of you have shown the Van Meter Schools curriculum to teachers and principals.

Feedback on it?

More resources for the Skills Continuum...

Where will we store our work? Shall we work on one document or several?

### **3. Regroup and report on progress on Skills continuum for your grade levels.**

### **4. Adios.**
