

Welcome back everyone!

No Name Class.....

Focus will be on integration of Digital Literacy Skills Continuum

September 12, 2011

Agenda:

1. Information from programmer Chris Blasi about how Destiny and Infinite Campus communicate. Previous accounting procedures no longer apply.
2. Bobbi Craig with Mackin – how to order for two schools and how to find and order from prepared Book lists in Mackin.
3. Introductions: Julie Bowline, Director of Instructional Technology and Library Services (IT-LS)
Jennifer Fugita, Instructional Materials Center (IMC) Manager x4328
Nancy Crochet, Library Processing (IMC), x4744
Sarah Harter, Textbook Processing (IMC), x4747
Elaine Vaness, assistant to IT-LS and IMC, x6953
New IMC processor will be hired soon!
4. What has Kim been doing for us?
Library Services Wiki - <http://adams12libraryservices.wikispaces.com/>

Advocacy – YOU for the Adams12 library program! You are MANAGER of resources, space, instruction.

Considerations: Talk to principal and teacher teams.

Will library be open or closed when you & clerk are not there?

Clerk jobs, your job?

How to schedule you for instruction with the most students possible

What changes do they want? Physical space – are they pleased with it? Instruction - effective?

Are they aware of AD12 Digital Literacy skills? wiki - <http://ad12digitalliteracy.wikispaces.com/>

Buy some ebooks? How many print books is realistic?

TIME TO LOOK AT THESE TWO WIKIS.....10 minutes.

5. Resources: eBooks investigated – RFI then RFP process. Why?
Tumblebooks available to all schools through Anythink!

Here's the link to their 24/7 library site (online resources)

<http://www.anythinklibraries.org/24-7-library>

From there, students will click the picture for Articles, Research, and More. From there, scroll down to Tumblebooks and TumbleReadables. Other databases may be available without a library card too!

*if your schools is thinking of buying Nooks, Kindles, iPads, use the group's collective wisdom or contact Kim or Julie to think through the process.

6. Clerk Destiny Trainings – Four weeks scheduled, more can be provided if needed.
7. Advocacy videos and copyright video available to you!
Advocacy on State Library site: <http://www.cde.state.co.us/cdelib/powerlib/>
Copyright training video for Adams12 staff and students: <http://tinyurl.com/AD12Copyright>
8. 2010-11 professional development course & how to enroll. – Kim will send info in an email later.
Our class will be based on implementing the Adams12 Grade Level Digital Literacy Skills continuum into content instruction. Three areas of focus for TLs – reading, information literacy, and tech integration.
The Teaching/learning cycle will guide instruction.
9. Help! Do you want a mentor? Do you need help getting your second library up and running? Does your clerk need help? Send Kim an email.
10. Stay connected using the class wiki and library services wiki.
Library Services Wiki - <http://adams12libraryservices.wikispaces.com/>
AD12 Digital Literacy wiki - <http://ad12digitalliteracy.wikispaces.com/>
Last Year's Critical Connections Class Wiki - <http://criticalconnections.wikispaces.com/>
Are you on Twitter? Several of us are... Will you join?
11. Tech applications every TL must be able to use:
Destiny circulation system and all its functions
Starmail
Google Apps for email, surveys & sharing <http://googleapps.adams12.org/>
Google Apps for Education – video tutorial <http://www.google.com/apps/intl/en/edu/k12.html>
Baker & Taylor and Mackin online ordering
Our Adams12 library wikis
PD Express to sign up for professional development
Nettrekker search or Discovery Streaming for elementary and K-8
WorldBook online database and EBSCO online database for secondary
Citation Machine or NoodleTools
online content sites like Thinkfinity, NBCLearn, BBC, National Geo, Kahn Academy
Doodle.com
Other applications unique to your building
